

```
epiworld::Model< EPI  
_DEFAULT_TSEQ >
```

A diagram illustrating a relationship between two C++ model classes. A light gray box at the bottom contains the text 'epiworld::epimodels ::ModelSEIRMixingQuarantine < TSeq >'. A blue arrow points upwards from the bottom box to a white box at the top. The white box contains the text 'epiworld::Model< EPI \_DEFAULT\_TSEQ >'. This indicates that the bottom class inherits from or is a specialization of the top class.

```
epiworld::epimodels  
::ModelSEIRMixingQuarantine  
< TSeq >
```
