

```
epiworld::Model< EPI  
_DEFAULT_TSEQ >
```

A diagram illustrating a relationship between two R model classes. A blue arrow points upwards from a grey box to a white box, indicating inheritance or specialization. The grey box contains the text 'epiworld::epimodels' followed by '::ModelSEIRMixingQuarantine' and '< TSeq >'. The white box contains the text 'epiworld::Model< EPI' followed by '\_DEFAULT\_TSEQ >'.

```
epiworld::epimodels  
::ModelSEIRMixingQuarantine  
< TSeq >
```
